

BEZDAN STAINLESS SPECIAL HANDLING AND CRATE FEES

Bezdan is committed to providing exceptional customer service, which extends to our shipping practices.

Bezdan Stainless product lengths require special handling and come packaged with up to three levels of protection. For product lengths exceeding eight feet, we carefully package in crates and load onto trucks laid flat to reduce the risk of damage during transport. Please refer to the table below for the additional crate fees that will apply.

Product	Part #	Crate Fee by Number of Lengths				
		\$40	\$80	\$120	\$160	\$200
Round Tube	9005					
	9010	Up to 4	5 to 8	9 to 12	13 to 16	17 to 20
